SPARK FRIENZ

Kids Daily Planner

Introduction

Introducing Edufrienz's Daily Planner, the perfect edition specially created for our little ones.

This planner is designed to help our kids become more familiar with expressing themselves through writing and planning their days ahead. With its vibrant and colourful pages, your child will have fun jotting down all the things to reflect on what happen and what are the next steps for themselves. They get to express their learning and experiences throughout the day.

This planner is truly special with the presence of our adorable SPARK characters on every page. These lovable companions will keep our children company as they navigate through their daily and monthly tasks. Let's embark on this amazing journey together with SPARK, and watch as our children become master planners and expressive writers.

Activity Outcome: Let our children write freely and learn to reflect and plan for themselves.
